**PERSONAL INJURY**

Personal Injury is not covered by vehicle insurance, personal travel insurance is strongly recommended.

**ACCIDENTS**

Not all Southern African vehicles are insured and it is also NOT compulsory to be insured against third party property. It is therefore at times impossible to recover from these drivers, even through the legal system. LIABILITY MUST NOT BE ADMITTED NOR ANY OF SETTLEMENT MADE.

- Accidents must be reported within 24 hours to the head office and to the police and an accident report must be given to the return branch
- If the rental vehicle is involved in an accident and is not driveable, a replacement vehicle, if available, may be collected from the closest branch
- If the hirer requires a replacement vehicle to be delivered due to an accident, then these charges will be for the hirer's account (R/N\$ 5 000). If the hirer is unable or unwilling to take a replacement vehicle, no refunds for early termination will apply

- No refund of rental days lost will be considered during the period in which a replacement vehicle is being organised
- Should there be no replacement vehicle available, no refund for lost rental days will be considered
- Should the hirer continue with a replacement vehicle then a new rental agreement needs to be entered into where payment of another CDW and bond conditions will apply. Your first CDW 3 contract through your agent cannot be renewed.
- Damage costs are established by a quotation of repair from a panel beater and are substantiated by a report from a duly accredited Loss Assessor. No negotiation will be entered into in relation to these costs
- We reserve the right to apply the above conditions as we deem fit.

#### **INFRINGEMENTS**

We reserve the right to charge the hirer after the term of the rental for –

- Any traffic or parking fines. An additional amount of R 350 for administration purposes will be added to the amount of the fine
- Any damages and accidents that we have not been made aware of on the return of the vehicle

#### **VALUABLES**

The hirer is responsible for insurance of personal property. To avoid possible theft, valuables should not be left in the vehicle. In major cities, it is advisable to leave the vehicle in a caravan park and utilise public transport or tours to visit the inner city.

#### **SAFETY**

- Vehicles are built on light truck chassis and do not have the road handling abilities of a car. The following caution must be taken –
- Consideration for the condition of the road and the weather conditions; it is more difficult to control a vehicle on unsealed roads.
- Keep within the speed limit, not exceeding 100 km/h on sealed roads and 60 – 80 km/h on unsealed roads
- It is strongly recommended that driving at night be avoided; wandering animals often stray onto the roads

#### **VEHICLE HANDOVER**

Your vehicle is handed over to you without fuel unless you have requested it. Upon return no refund for excess fuel will be authorized. Should your vehicle be changed over at any time no refund for fuel will be given.

#### **VEHICLE CONDITION**

A pre-rental vehicle inspection will be required to be made by the hirer on collection of the vehicle. The vehicle shall be deemed to be in good order, condition and repair and properly filled with oil and water, unless otherwise indicated in the vehicle condition report.

#### **RENTAL DURATION**

Minimum rental is 5 days and 15 days for collection/return in Botswana, Zimbabwe or Zambia. When calculating the number of days, the day of collection is counted as day one regardless of collection time. The day of return is counted as the final day.

#### **SEASON CHANGE**

The daily rental rate that applies on the date of pick up will be the applicable rate for the duration of the rental regardless of any season change during the term of the rental.

#### **CHANGE OF VEHICLE**

We reserve the right to substitute a comparable or superior vehicle should the requested vehicle not be available due to unforeseen circumstances. This shall not constitute a breach of contract and does not entitle the hirer to any refund.

#### **BRANCH HOURS FOR PICK UP and DROP OFF**

Branches are located in Johannesburg, Durban, Port Elizabeth, Cape Town, Windhoek, Maun, Harare and Victoria Falls. Office hours are Monday – Friday from 08h00 – 16h30. Outside of office hours collections and returns are by arrangement only. All branches are closed on Christmas Day (25 December).

#### **LICENCE**

A valid non-endorsed driver's licence is required; an international licence is preferred.

#### **MINIMUM AGE**

Drivers must be 21 years or older

**ROAD RESTRICTIONS**

Vehicles may be taken into South Africa's neighbouring states but are not allowed into Angola or Malawi. All insurance cover is void if vehicles enter prohibited areas. We reserve the right, at its sole discretion, to restrict vehicle movements in certain areas due to adverse road or weather conditions, political situations or any other reason.

**REPAIRS**

Minor repairs up to the value of R/N\$ 1 000 may be effected without authorisation and will be reimbursed upon presentation of receipts. For Major repairs, over R/N\$ 1 000 authorisation with an authorisation number must first be obtained from the head office in Johannesburg. Faults with the radio, air conditioning, refrigerator or microwave are not classified as breakdowns; no refunds will be made for repair time on these items.

**PETS**

No pets are permitted in any vehicles.

**EXCHANGE RATE/CURRENCY VARIATIONS**

All credit card transactions are conducted in South African Rand. Due to exchange rate fluctuations there could be some variance in any amount refunded compared to the amount initially charged. No liability is accepted for any variance in this regard. If a credit card is presented as payment, the credit card holder will be jointly and severally liable as the hirer.

**CANCELLATION FEES**

If vehicle is returned early, for any reason, no refund will be considered for the rental or insurance.

**RESERVATION / VEHICLE CONFIRMATION**

We reserve the right to upgrade a client to another vehicle category without prior notice. This does not constitute a breach of contract or non-performance.

**DISCLAIMER**

Vehicle illustrations and text in any brochure are only indicative of the vehicle. Variances in the vehicle(s) offered may occur due to modifications and/or upgrades to the vehicle design or brand. Our vehicles are not older than 3 cycles.
